Joyce,

I am sorry that you are having trouble accessing the NJDEP website. Someone from an EPA Regional Office told me this morning that she also could not access nj.gov today.

I downloaded all three NJ Drinking Water Quality Institute Subcommittee PFOA reports from the DWQI website (attached). These will be presented at a DWQI meeting on September 22.

The agenda and information on the public comment period will be posted shortly on the DWQI website at http://www.nj.gov/dep/watersupply/g_boards_dwqi.html

Thanks,
Gloria

Subject: New NJ PFOA assessment

Dear Gloria:

We are trying to get to the new NJ PFOA assessment that was posted today and cannot reach the web site. We are getting questions about it. Is it possible for you to send it to me?

Joyce
